Allan,

You are really a wonderful
guy and I'm so glad we are
friends and I only hope
we may always be.
It seems like so much
that I want to say, but don't
know how to say it — please
don't ever change, just stay
as nice as always. You de-
serve the very best and
with your many attributes
I know you will always
have it.

Have fun this summer and
good luck in track next year
(I'll be rootin' for you, ... I
know you can be top in the
state.)

Thanks for everything.
God bless a wonderful guy.

Much
love,
Annette

Alan, (Honey)

Well BIG S-E-N-I-O-R this year's over and I know you're glad. It's sure been a great year for me. I hope next year is as much fun, as this one was. You know I'm going to really miss you when you leave but I hope nothing stops you from carrying out your great profession. It really means a lot to me, you being a doctor. Nobody could be a better one. No matter what anyone says I think you're the Sweetest & sharpest guy in the SENIOR class. You have so many good qualities that I know whatever you plan to do with your life you will be a success. Another thing I'd like you to get through that smart head of yours. Our track team couldn't even exist without you. This year our track team has got more support than it ever had and without you in there running for Old Glory it's going to lose this new start. So just for me keep up the good work and never give up trying. It really means a lot to me and never worry about being popular because you are in case you don't know it. Just remember you'll always be popular to me.

I will always respect you, for your moral standards, and for being yourself. Remember don't let any body influence you. Set your own goals, and carry them out.

I sure hope our relationship's never dies. Remember you have a brilliant future - so stick with it.

All my Love,

Tina
